BOSTON, MASS.,

Supply the following works to persons forwarding the amount of one year's subscription:—

NORTH AMERICAN REVIEW. Quarterly. $5,00.

This is the oldest and most valuable of all periodical works published in this country. It has been established for upwards of twenty years.

REPRINT OF THE FOUR QUARTERLIES, embracing the EDINBURGH, LONDON QUARTERLY, FOREIGN QUARTERLY, and WESTMINSTER REVIEWS. $8,00.

"As organs of sound criticism, as repositories of literary reference and scientific information, these Reviews continue unrivalled, and are sought after and read, not only in Great Britain, but in every court and nation on the European Continent. They are acknowledged to be the most interesting of all European periodical works."—*Boston Gazette.*

BLACKWOOD'S MAGAZINE. Edited by Professor WILSON. Monthly. $5,00.

"Blackwood is one of the oldest, and decidedly the strongest and ablest magazine in the world; its character is too well known to be reckoned any where below the first and highest standard of Periodical Literature."—*New York State Gazette.*

THE METROPOLITAN MAGAZINE. Monthly. $4,00.

"The Metropolitan need not acknowledge an inferiority, within its peculiar field of enterprise, to any monthly in Europe or America."—*L. I. Star.*

KNICKERBOCKER MAGAZINE. Monthly. $5,00.

"This is indeed a charming, a delightful periodical. The 'Original Papers' are racy, spirited, and eloquent, happy alike in style and sentiment; while the 'Literary Notices' are distinguished by just and discriminating criticism."—*Charleston (S. C.) Courier.*

ANNALS OF EDUCATION. Edited by WILLIAM A. ALCOTT. Monthly. $3,00.

Few periodicals published in this country present higher claims to patronage than the "Annals." The present editor is abundantly qualified for the department he occupies. We have no hesitation in saying that it is the DUTY of every teacher to make himself acquainted with the contents of the "Annals of Education."

SELECT MEDICAL LIBRARY and ECLECTIC JOURNAL OF MEDICINE. Edited by JOHN BELL, M. D. Monthly. $10,00.

Sir:

Yours of the 20th inst was rec'd

I can do your binding but the prices will probably be higher than you have been accustomed to pay. For Lewis Baker we charge about $2 a volume sometimes when they are large & the papers in bad order 2,25 & 2,50.

Octavo volumes half bound 50 cts
" " full " 62½ cts

They can be bound within the time specified.

The reason why the binderies in your place & in Canton have gone down is that they have not charged enough to sustain them.

Yours respectfully

Mr James Greene:

Sir:

In reply to your communication just received, I state that when I put down the name of your Society as a subscriber to the Missionary Register, I had intended that it should be forwarded to you annually at my expense; but the total revolution my sentiments have undergone within the last two years, in reference not only to the character & plans of missionary associations, but to the obligations of the Sabbath, constrained me when I was last in London to discontinue the subscription. It would be becoming both the serious pretensions of the Society you represent, and my own character, to assign my reasons for thus gainsaying the Scriptural Complexion of its operations, but as I have no reason to suppose that such a step would be desired by you, I confine myself to giving you the information you seek, and remain with good wishes to you Sir, personally

Yours &c

H. James

P.S. Should you wish to renew the subscription of the work, let me commend to you Mr A Rich of 12 Red Lion Square, London as a very trustworthy agent.
